

## GDT Poll results for the AWP of WMP on Event 162

First of all we would like to thank all the participants for casting their votes. We believe that on basis of the number of people that have voted we can present a reliable projection of market sentiment prior to today's GDT event 162.

**Key outcomes:**

- 65,6 % of the votes expect the average price to go **UP**.
- 20,6 % of the votes expect the average price to go **DOWN**
- 13,8% of the votes expect a small change either direction.
- A surprisingly big number of voters voted for the extreme 'down by more than -12,5%' while 4 more modest decline categories attracted no votes at all.
- The weighted average expectation of the Poll is + 1,45%
- 1,45% up falls in the bracket that received 27,6% of the votes
- The most popular vote was 3-5% UP with each 31% of the votes.
